MANUAL: SAFETY AND SECURITY

POLICY NO.: S-2

SUBJECT: Establishing a Fine/Penalty Structure
For Security Policy Violations

PAGE: 1 of 1

DATE APPROVED: 03/19/01

DATE(S) REVISED: 07/23/07, 07/27/15

This policy, adopted or revised on the date indicated, by the Treasure Lake Property Owners Association, Inc. Board of Directors, sets forth a fine/penalty structure for use in enforcement of all Safety and Security Policies. Amendment of the fine structures in the future will primarily require an amendment to this policy only, inasmuch as the classification of penalties is standardized across Security Policies

Parameters and Procedures

All Safety and Security Policies, which refer to penalties issued pursuant to citations, shall use the following classification system to identify the amount of any fine assigned for a violation. There are four categories of offenses as defined here.

Class I Offense **\$50.00 FINE**

Class II Offense **\$100.00 FINE**

Class III Offense **\$300 FINE**

Class IV Offense The amount of the fine is not classified as Class I, II, or III Offense, and is specifically delineated within an Individual Security Policy. **Fine amounts may vary depending on the severity of the offense.**
